

Lithuanian Medical Association Congress

06.10.98

Dear colleagues,

Thank you very much for your kind invitation to the Lithuanian Medical Association Congress. Unfortunately he can not take part in this event because of his very busy schedule in October.

Please give our very best wishes to the Lithuanian doctors from Estonian Medical Association and Dr Indrek Oro personally. We hope our contacts and co-operation will continue and develop in future.

Sincerely yours

Katrin Rehemaa
Secretary General of EMA
